Currituck County 4-H Centennial Courtyard
Brick Campaign Order Form

Currituck County 4-H is seeking support to build a 4-H Centennial Courtyard to commemorate the 100th Birthday of 4-H in North Carolina. The courtyard will be placed on the grounds of the new 4-H Rural Life Center, located at 148 Gabbard Lane in Powells Point. Funds collected will be utilized to provide 4-H opportunities for youth in Currituck County.

4-H is a fun program where youth get to "Learn by Doing." All youth between the ages of 5 and 19 are invited to join! In 4-H you can go to camp, start a business, ride in a bike rodeo, take part in an international exchange, raise an animal, create a blog, give a presentation, participate in a community service project, develop your resume, practice interview skills, learn about healthy eating habits, build lifelong friendships. Best of all, membership is FREE! 4-H costs nothing to join, and you are not required to purchase a uniform. Member expenses are minimal and determined by the club itself.

The 4-H Program in Currituck County offers programs for youth in a variety of delivery modes including clubs, special interest programs, summer camps, and school enrichment projects.

Thank you for supporting this project!
